

# Display fixture exclusively for the new "KUMU" layout materials

Size 60: W626xD428xH1800(mm)

Size 90: W926xD428xH1800(mm)

This spring, for the release of the new small sized layout material series from ADA, we have prepared a product display fixture for the easy purveyance of types and form of the materials. Pouches of KUMU materials are categorized and numbered, and with the display fixture in store, customers can enjoy spending time browsing and coming up with combinations.

<b>KUMU display rack 60 + 3 pcs of each (72 pcs in total) of 24 KUMU types</b>
<b>KUMU display rack 90 + 3 pcs of each (72 pcs in total) of 24 KUMU types</b>

\*As this is a made-to-order item, it will take approximately 3 weeks from the time you place your order.

\*Size 60 comes with 20 hooks, size 90 comes with 30 hooks.

\*We recommend using one hook per 3 pouches of each material type.

\*The panel at the bottom of the display can be removed to store boxes of the materials or display other products.
