

DOOA Substrate Products

Changes in Specification and Packaging

Tropical River Soil

Jungle Soil

Jungle Base

The packaging of DOOA substrate products will be renewed, and will be available from July 1st shipment.

We also renewed the amounts of some products in the series so that they are more convenient for creations like paludariums. In particular, DOOA Jungle Soil 3L are now relaunched as DOOA Jungle Soil 2L. Also, DOOA Tropical River Soil now comes in 700mL package. The new packaging will be available for shipments after July 1st. We apologize that DOOA Tropical River Sand 2.5kg is currently not available and it will be renewed with different ingredients. Once it is back in stock, we will notify you.
