

IAPLC 2024 Contest Book

We are launching the newly named 'IAPLC Contest Book,' previously known as the 'The International Aquatic Plants Layout Contest Book'. This year marks the 24th anniversary of IAPLC and we received 1,450 entries from 79 countries and area. This collection book features works ranked from 1st to 1,415th. It also includes judge's comments, detailed descriptions of the layouts, and an overall review of the contest. Please take a look to reflect on this year's competition, analyze trends, and use it as inspiration for creating your entry for next year. Additionally, the 2022 and 2023 editions are also still available, so please consider to order them, as well.
