

ADA NATURE AQUARIUM

METAL CABINET 600

MINERAL GRAY

The Metal Cabinet 600 Silver will be discontinued and replaced by a new version with an updated body color, launching as a new product. The new Mineral Gray color is designed to match the tone of the Aquasky RGB II for 600mm tanks, creating a unified and stylish look for aquascapes.

Please note: There will be a visual difference between the current Silver model and the new Mineral Gray version.
