

ADA LAB Limited Items

# ADA LAB GLASS POT KAKU & ADA LAB BEAKER GLASS

May 13 (Tue) – June 20 (Fri), 2025

It has been about two weeks since the grand reopening of ADA LAB TOKYO. We have received some requests from customers if the ADA LAB GLASS POT KAKU and ADA LAB BEAKER GLASS could be made available outside of ADA LAB, as there are no alternatives to these products.

While we are currently considering offering them as part of the DOOA lineup in the future, we offer a special limited-time sale of these two items with the ADA LAB logo.
