

ADA NATURE AQUARIUM

METAL WOOD TOOL STAND

We are excited to introduce METAL WOOD TOOL STAND, a sleek and compact solution for storing ADA Nature Aquarium layout and maintenance tools. This stand is crafted with a refined combination of high-quality natural wood and robust stainless steel, offering both exceptional durability and practical functionality. The stainless steel section is precisely engineered with optimally placed openings, allowing tools to be inserted and removed effortlessly. The wooden section—crafted with expert joinery—gently protects the tips of scissors and tweezers. Designed to also hold accessories like AP GLASS and SPRING WASHER, METAL WOOD TOOL STAND helps keep your aquarium workspace clean, organized, and elegant.

Size : W160×D80×H75 (mm)
