

IAPLC2025 Contest Book

We are pleased to announce the publication of the IAPLC2025 Contest Book, marking the 25th anniversary of the International Aquatic Plants Layout Contest.

This year's contest received an impressive 1,533 entries from 77 countries and regions around the world. The book features works ranked from 1st to 1,450th, along with judges' comments, detailed layout descriptions, and an overall review of the contest.

Please take a look to reflect on this memorable 25th contest, analyze layout trends, and find inspiration for creating your work for next year. The IAPLC2023 and IAPLC2024 Contest Books are also still available, so please consider adding them to your collection as well.
