## Mizukusa Mist Wall 120 & Steel Cabinet

### Now Accepting Made-to-Order

Mizukusa Mist Wall 120 and its designated cabinet (introduced in Aqua Journal 293) will be available for Made-to-Order. It creates a scenery filled nicely with mist generated by Mistflow. Due to the heavy weight of the Flowbox, the Mizukusa Mist Wall requires a compatible steel cabinet. The Wall and Cabinet are both made-to-order products.
