

# Solar RGB Stand for Metal Cabinet 60

Getting ready for shipment on May 18th

ADA releases Solar RGB Stand for Metal Cabinet 60. The stand can be installed stylishly by mounting special brackets on the right rear side of Metal Cabinet 60.

\*The special brackets require a spanner or wrench.

### Mounting brackets

Align the upper and lower brackets from the inside of Metal Cabinet 60, and secure with bolts from the outside.
